

2023 SUMMER TRENDS

Filled with rich, natural beauty in New York City's own backyard, The Hudson Valley will turn your wedding pictures from nice to stunning. Plan your wedding at [The Thayer Hotel](#) for breathtaking views of the Hudson River with the Hudson Valley green scenery to serve as your backdrop!

Using floral walls as photo booths will stay as a popular statement piece for making memories during celebrations. Set this up with a fine assortment of props and photo strips from our preferred vendors, [Stolen Moments](#) and [Digital Musicians](#) to capture great prints that can be kept forever.

Florists are leaning now into modern, deconstructed arches to expose the natural backdrop around the subject. The Hudson Valley's trees are in full bloom this season and using signature summer colors in your arch will dramatically juxtapose the surrounding greenery. Consult with [Greenery Plus](#) or [Lilys of the Valley](#) for floral arrangements that will encapsulate your big wedding day!

Dusty color palettes will define dreamy weddings this summer. Experts say that using dusty shades with vibrant details harmonize well with the greeneries and bright sunlight. Our preferred planners, [Events by Mary Grace](#) and [Faith Ferguson](#) can help you balance what's trending and your personal vision to make a fairytale wedding of your own!

Beat the heat by giving the party fun and modern experiences! From mini lounges to giant game rentals, you can inquire with one of our preferred vendors, [Upstate Jamboree!](#) They offer elegant game rentals that will bring your guests together.

One big wedding trend this 2023 is having custom touches in your cocktail hour. Incorporate these edible cocktail toppers to jazz up a simple drink, or to create a yet another amazing photo opportunity!

There's no other perfect season for wineries, sun dresses, and stunning golden hours than summer! During your wedding weekend, savor craft spirits at one of the amazing wineries that make The Hudson Valley so unique: [Brotherhood, America's Oldest Winery](#), and [Palais Winery](#).

No one will leave without their sweet tooth cured! An ice cream bar is the ultimate dessert idea for a warm-weather wedding. Upgrade your cocktail with treats from [Durants Party Rentals](#) to spice up your special day!

Give your guests renditions of their favorite songs, or a soulful vibe to your favorite tunes! Bands such as [Silver Arrow Band](#) and [EP Events Group](#) perform live music and offer romantic sensation that can be felt by everyone!
